

Be part of the Genesee Valley Hunt Races Farmers Market on October 10, 2020

Ten years ago we launched a NY food and wine vendor area at the Genesee Valley Hunt Races after obtaining a Farmer's Market Permit from NYS Dept. of Ag and Markets. It has been a huge success for vendors – and certainly appreciated by the crowds and tailgaters at this century-old, family oriented event! Our Farmers Market goes hand-in-hand with our Agri-Center, which features a petting zoo and interactive agricultural education activities. This area is always bustling with activity all day! We think this event offers the perfect demographic for your products!
